# Fall Skill Academy Coach

Jordan Graneto (5th Year @ Sprague)

Jr. OLY Fall Skill Academy will be run by Sprague Basketball head coach Jordan Graneto. Coach Graneto is entering his 5th season at Sprague High School.

During Coach Graneto's tenure Sprague's Varsity Basketball team has made the playoffs 3 out of 4 seasons and have amassed a record of 55-35 over the course of 4 seasons. During the past 4 seasons Sprague has sent 4 basketball players to play college basketball and have graduated every member of their varsity basketball team from Sprague High School.

"Your skill level is something that can be taught to anyone and improved upon with a lot of hard-disciplined work and repetitions. Skill work is a vital part of what we work on and look for in the Sprague Basketball Program. Shooting a high percentage is the great equalizer in the game of basketball if you want to consistently win at a high level." - Coach Graneto
